## 35<sup>th</sup> Reunion Schedule: May 25–29, 2016

### Class Conversations

#### *Northwest Labs*

At our lunch tables, we will enjoy roundtable conversations about some of the more controversial (but less partisan) topics of our times. After brief introductory remarks by classmates close to the issues, you'll choose one of these topics:

1:30-2:45 PM

- Security or Privacy (Encryption, Surveillance, and Safety)
- Free Speech and Civil Discourse (Expression, Harassment, and Respect)
- Life in a Time of Big Data (Privacy, Autonomy, and Artificial Intelligence)

We will use real-time text-message polling to probe the changing nuances of our positions.

### Faculty Forum

#### *Sanders Theatre, Memorial Hall*

Join fellow reunionees Harvard and Radcliffe College alumni/ae for a series of TED-style talks by prominent Harvard faculty members. These leading scholars will explore current on-campus advances in teaching and learning. Participating faculty include:

3:00-4:15 PM

**Jane Kamensky**, *Professor of History and Pforzheimer Foundation Director of the Schlesinger Library*

### Poetry Reading & Authors Reception

#### *Dunster House, Junior Common Room*

Many of our classmates have put pen to paper (and fingers to keyboard) to publish reams of dreams and schemes. Others have created thoughtful verbal artistry, and are willing to share aloud. Join them for a chance to rub elbows, enjoy poetry, and discuss their works. Sharpies will be provided for book signings. (Classmates' books may be purchased all week at the COOP.)

5:00-6:30 PM

### Small Group Meet-ups

(See Wednesday's schedule for details.)

### Friday Night Dinner and Dancing

#### *Dunster House Dining Hall and Courtyard*

Three reasons not to miss this event: We themed this evening's dinner on microbreweries, and the innovations they represent here in the Northeast and beyond. Don't worry; there will be plenty of drink options beyond the paired beers that go with each of four stations: Cantina Mexicana, Seafood Shanty, Hofbrauhaus, and Sake. See if you can guess the menu items at each! Early in the evening, we expect a "fly-by" from another Harvard *a capella* group, warming us up for our third reason to come: special music guest "Professor DJ" (really! a legitimate BU professor and close friend of classmate **Russ Gershon**) who will be spinning VINYL from "back in the day". Requests welcomed!

6:30-11:30 PM

### Nightcap

#### *Dunster House Courtyard*

A continuation of the above, under the stars.

Glimpses was invented by HR1981 to help us get to know each other better, as a class. It has now become a regular feature at Harvard reunions, and is spreading elsewhere. Come hear 5-minute talks about transformations, discoveries, silly adventures, and poignant moments. Between the talks we'll enjoy photos and videos of our passions and projects. All the Glimpses are personal, and all speakers are classmates who have not spoken at a reunion.

#### **Classmate Lunch**

*Science Center Plaza Tent*

Noon-1:15 PM

## 35<sup>th</sup> Reunion Schedule: May 25–29, 2016

5:30 -6:00 PM	<b>Tales from Harvard in Hollywood</b> <i>Queen's Head Pub(cash bar)</i> Since leaving Cambridge, a handful of stubborn '81ers have sought to make a name for themselves pushing boulders up Hollywood's hills – writing, directing, and producing thousands of hours of TV shows and motion pictures, and winning awards – or simply collecting scars and war stories – in the process. Join a few jetlagged veterans who will regale us with stories of past adventures and coming attractions.
7:00-11:30 PM	<b>Class Dinner and Dancing</b> <i>Annenberg Hall</i> Join us for a Latin themed evening of food and music. Chorizo turnovers, chicken empanadas, churrasco-rubbed tenderloin, chipotle sweet potatoes, shrimp ceviche, and crispy cinnamon churros with chocolate sauce, all served among many other delectables. While reunioneing and eating, our own Russ Gershon, and his band Lookie Lookie will perform a couple of sets. Lookie Lookie is a spin-off of the Latin-pop movement of the early '90 mixing Latin elements with a much more approachable/danceable groove for mainstream consumption. Let's eat it up!
10:30 PM-1:00 AM	<b>Nightcap</b> <i>Dunster House</i> As if you need more? We've got you covered if you need a down-tempo scene to carry on those conversations.
<b>Sunday, May 29</b>	
9:30-11:30 AM	<b>Jazz Farewell Brunch</b> <i>Dunster House Dining Hall</i> Join us for a festive sendoff to the reunion and the promise of great memories still to come. Don't miss the French Toast Breakfast Bread Pudding!
11:30- Noon	<b>Class Survey</b> <i>Dunster House Dining Hall</i> Enjoy a mixture of a traditional class survey and something new. We will view results of our online survey, and also submit answers in real-time using our smartphones.
12:00 PM-1:00 PM	<b>Fast Forward: What comes next?</b> <i>Dunster House Dining Hall</i> Cap off a wonderful reunion with creative brainstorming on how to continue the social connections, energy, and intellectual interests we've shared over the past few days.
9:00 AM-2:00 PM	<b>Checkout</b>
2:30 PM and after	<b>Informal Classmate Hangouts</b> <i>Off-Campus Location(s)</i>
